BRIDAL MEHNDI

Bridal Mehndi ranges from £150-£500 depending on the designs that are chosen. I would ask the bride to send us a few images of any designs or inspiration they have seen to allow us to guide them, give any suggestions and form a customised quote*. You can also receive my [top tips on choosing your bridal design here](#).

*If Bridal Mehndi is added on to any of the packages below, it will be at a special fixed price of £250 (including front of hands, backs of hands and feet - more details below).

MEHNDI EVENTS

Mehndi Events are charged at £50 an hour* and 15-16 mehndi night strips can be completed in 1 hour. These strips have a value of £5 each. They are perfect for any occasion and work well according to time arrangements to ensure everyone has something done. I have had raving reviews on these Mehndi Strips! If there are a high number of guests, I can arrange for other artists as well.

*Minimum 2 hour bookings

BESPOKE GIFTS

There are a range of Bespoke Mehndi Favours to gift to family and friends, and show your gratitude towards them joining in on your celebrations! They are all individually hand designed and gift wrapped by Bhavi's Mehndi and can be personalised with names, messages, dates etc. There is something for all budgets and bulk pricing is available.
